ABOUT SAFE SITTER®

Safe Sitter® prepares students in grades 6-8 to be safe when they're home alone, watching younger siblings, or babysitting. Students learn life-saving skills such as how to rescue someone who's choking, and helpful information like what to do if there's severe weather. The lessons are filled with fun activities and role-playing exercises. Students even get to use CPR manikins to practice choking rescue and CPR!

SKILLS YOUR CHILD WILL LEARN

Safety Skills: Students learn how to prevent unsafe situations and what to do when faced with dangers such as power failures or weather emergencies.

Child Care Skills: Students learn tips to manage behavior that will help them stay in control of themselves and the children in their care. Students also learn the ages and stages of child development, as well as practice diapering.

First Aid & Rescue Skills: Learning skills such as choking rescue and CPR is often students' favorite part of the class. Students also learn a system to help them assess and respond to injuries and illnesses.

Life & Business Skills: The ability to screen jobs, discuss fees, and greet employers will set students up for success now and in the future. Students practice these skills through various role plays.

REGISTRATION INFORMATION

Class fee is \$55 and must be paid at time of registration. Students can cancel class enrollment 14 days before the start of class and receive a full refund. Students should bring a sack lunch and jacket as the classroom can get cold.

Classes are held in the 2nd floor conference room (Door 4 is the nearest entrance). If you have any questions or would like further information, contact Amy at 648-555-8474 or email amy@emailaccount.com.
