1. What is one thing you can do to get a child to pay attention to you?

2. What is one thing you can do to keep your cool when you start to get frustrated?

3. What are the six Behavior Management Tips?
   1. ____________________________  4. ____________________________
   2. ____________________________  5. ____________________________
   3. ____________________________  6. ____________________________

4. What should you do if the kids start to hit each other?

5. What should you do if you can’t get the kids to stop fighting?

In this lesson, I learned: ____________________________

One thing I would like to learn more about is: ____________________________
